9:10 p.m. Pick-up from the hotel.

9:30 p.m. **The Arctic Northern Lights Camp** experience begins at the Nallikari Experience Center. After changing into warm winter clothing, we head to a heated tent camp located on the frozen sea. The tent is warmed by a traditional wood-burning stove, creating a cozy atmosphere.

Gather around the campfire to enjoy hot drinks while taking in the peaceful Arctic night. As we share stories about northern winter nature, you will have the opportunity to admire the star-filled sky and, with a little luck, the Northern Lights. Duration: approximately 2 hours.
